PSAT Intensive

Dates: Sunday, October 10th and Monday, October 11th, 10 am – 2 pm each day

Suggested grades: 10th and 11th

Bespoke's 2-day PSAT Intensive will cover the content and strategies for all sections of the PSAT and will allow students to practice what they are learning through the use of actual PSAT math, reading, and writing questions. 2010 PSAT date: October 13th.

Registration due by: September 24th

Introduction to the SAT (SAT Basic/Intermediate)

Offered during the following dates:

Toussaint, Monday 10/25 thru Friday 10/29, 9:30 am – 1:30 pm each day

February break, 2/21 thru 2/25, 9 am – 1 pm each day

Spring break (Session 1), 4/11 thru 4/15, 1:30 – 5:30 pm each day

Spring break (Session 2), 4/18 thru 4/22, 9:30 – 1:30 pm each day

Suggested grades: 10th through 12th

Bespoke's 5-day intensive SAT review course will improve your confidence and test-taking skills by giving you an in-depth knowledge of the SAT exam so that you can walk in on Test Day knowing exactly what to do. Classes will cover the content and strategies for all sections of the SAT and will include both Bespoke's materials and real, released questions. Each course includes full-length, released SAT sections taken under timed conditions so that you can practice in a test-like, proctored environment.

Registration due by: One month prior to start of class.

SAT Advanced

Offered during the following dates:

Toussaint, Monday 10/25 thru Friday 10/29, 2:30 – 5:30 pm each day

February break, 2/21 thru 2/25, 9 am – 12 pm each day

Spring break (Session 1), 4/11 thru 4/15, 9:30 – 12:30 pm each day

Spring break (Session 2), 4/18 thru 4/22, 2 – 5 pm each day

Suggested grades: 10th through 12th

If you have already taken Bespoke's introductory SAT course (see above) or are scoring above 1800 combined on mock or real PSAT or SAT exams, this 5-day course is for you. Tons of practice with real, released SAT questions... this class focuses on building up your critical reading skills and grammar as well as advanced math strategies. There will also be many opportunities for timed practice and review of actual SAT exams.

Registration due by: One month prior to start of class.

The ACT Exam

Offered during the following dates:

Toussaint, Monday 10/25 thru Friday 10/29, 1:30 – 5:30 pm each day

February break, 2/21 thru 2/25, 1:45 – 5:45 pm each day

This introductory ACT course is essential if you want to take the ACT exam. You'll learn how to manage your time effectively on all sections of the test, an important skill given the exam's time constraints. You'll cover lots of math, including important formulas, and do a complete grammar review. You will also learn how to handle the science section and improve your reading comprehension skills. There will also be many opportunities for timed practice and review of actual ACT exams.

Registration due by: One month prior to start of class.

Biology SAT 2

Dates: Toussaint, Monday 10/25 thru Friday 10/29, 9 am – 1 pm each day

Suggested grades: 11th and 12th

(You must have completed a full-year of bio or AP/IB bio before taking this class.)

There is no one who knows the Biology SAT 2 exam better than Bespoke! In this week-long course, you'll do a review of every area of biology that can appear on the SAT 2, with a focus on all the vocabulary you need to learn. The Bio SAT 2 is, more than anything, a vocabulary test – learn the key words that go with each topic area and you'll do very well. The course includes a full-length practice exam (1 hour) every day with analysis of your score, which will show you exactly how the test will look and feel on Test Day.

Registration due by: October 1st
