

Bespoke's Biology SAT 2 Spring 2012

Classes held at:

Bespoke Education, Inc.
317 Madison Avenue #1717
New York, NY 10017
+1-212-286-2227 (main)
+1-212-286-4476 (fax)

Instructor: Paul Scheid: Paul is the Manager and Asst. Research Scientist of the Genomics Core Laboratory at the Center for Genomics and Systems Biology at NYU. His lab designs, executes and analyzes large-scale genomics experiments. Paul has also conducted research in stem-cell biology, cardiology, neurobiology, and hematology/oncology; he is a co-author on multiple publications in high-impact journals, including *Science* and *Proceedings of the National Academy of Sciences*. Paul is one of our Biology SAT 2 experts. He also teaches chemistry and all levels of math through calculus and tutors for the SAT, ACT, and ISEE/SSAT exams. Paul is a graduate of NYU.

<u>DATE</u>	<u>TOPIC</u>
Sunday, 3/4	Introduction to the Bio SAT 2 exam: scoring, basic test-taking techniques; cell and molecular biology review.
Sunday, 3/11	Cell and molecular bio review continued: cell respiration, photosynthesis, mitosis and meiosis.
Sunday, 3/18-25	NO CLASS – Spring Break
Sunday, 4/1	Genetics and DNA review.
Sunday, 4/8	Genetics and DNA review continued.
Sunday, 4/15	Ecology and evolution review.
Sunday, 4/22	Review of mocks. Ecology and evolution continued.
Sunday, 4/29	Plants.
Sunday, 5/6	Review of mocks. Organismal biology – systems review.
Sunday, 5/13	More organismal bio.
Sunday 5/20	Review of mocks. Organismal biology – systems review continued.
Sunday, 5/27	Organismal biology – systems review continued.
Saturday 6/4	<i>Real Bio SAT 2 Test Date</i>

ALL CLASSES ARE 2 HRS LONG, 9:00 am – 11:00 am on Sundays.

Total class time: 22 hours; Total testing time: 4 hours.

Materials include Bespoke's SAT 2 Biology Lesson Book and Bespoke's Bio SAT 2 Flashcards.

Class Fee: \$1650 (minimum of 3 students needed; maximum of 7)

MOCK TESTING

Note that mock tests are a required part of this course. Required testing will be done the weekends of March 10-11, April 7-8, April 21-22, and May 12-13. Students can and should take additional mocks on their own (there is a special testing *fee of \$50/mock* for tests that are additional to the four included ones). Mock testing normally takes 60 minutes for the Bio SAT2.

All mock tests must be registered for online at www.BespokeEducation.com. Students **MUST** register online after creating a mock test account and cannot just show up to take a test.

Student's Name: _____ Parents' Names: _____

Primary Address: _____ City: _____ State: _____ Zip: _____

Student E-mail: _____ Parent E-mail: _____

Student Cell Phone: _____ Home Phone: _____

Work Phone: _____ Parent Cell Phone: _____

Grade: _____ School: _____ Date of Birth: ___ / ___ / _____

Registration Agreement

Please read and sign the registration agreement below and return it with your enrollment form (Bespoke Education, Inc. is referred to as "The Company"):

- The Company may need to change dates or times of any of the sessions, or cancel sessions altogether, depending upon enrollment numbers or other factors. You will be notified of changes to any session at least two weeks prior to the first class.
- The Company is **not responsible** for monitoring student drop-off or pick-up from the program or any decision by students to leave the premises.
- Registration and payment in full must be received **no later than February 21st**. Course fees are non-refundable after 2/21/2012.
- There will be no refunds for any class sessions missed due to student absence.

In signing this agreement, you hereby acknowledge and accept all terms specified above.
