Class Dates	February 2 – May 25 Targeting SAT on June 1, 2018
Day	Saturday
Time	3:30 PM – 5:30 PM
Location	Marymount Manhattan College, 221 East 71 st Street
Student Grades	9th-11th
Course Description	Bespoke’s spring Biology SAT Subject Test review will improve confidence and test-taking skills by giving students an in-depth knowledge of the Biology Subject Test exam. Classes will cover the content and strategies for this exam and will include both Bespoke’s materials and real, released questions. Each course includes full-length mock tests taken under timed conditions so that students can practice in a test-like, proctored environment.
Course Textbook	200+ page Bespoke student lesson book, which contains top-quality proprietary content created by Bespoke’s curriculum developers.
Mock Testing	Note that mock tests are a required part of this course. Six mock tests are included in the price of the class; students are pre-registered for these tests on the dates listed in the class calendar. Students can take additional mock tests for a discounted rate of \$50 per test. All mock tests are taken at Marymount Manhattan College. Mock testing takes 75 minutes for the Bio Subject Test. Students receive a detailed score report and printed analysis after each test.
Fee	\$2200. Please register online at www.bespokeeducation.com/classes .

Note: Class enrollment is limited to 10 students. Class will only run with a minimum of 4 students.
