

Bespoke's Chemistry SAT Subject Test Review

Spring 2019

Class Dates	February 2 – May 25 Targeting real SAT on June 1
Day	Saturday
Time	3:30 PM – 5:30 PM
Location	Marymount Manhattan College, 221 East 71 st Street
Student Grades	10th-11th
Course Description	Bespoke's spring Chemistry SAT Subject Test review will improve confidence and test-taking skills by giving students an in-depth knowledge of the Chemistry Subject Test exam. Classes will cover the content and strategies for this exam and will include both Bespoke's materials and real, released questions. Each course includes full-length mock tests taken under timed conditions so that students can practice in a test-like, proctored environment.
Course Materials	Bespoke lessons and homework along with a supplementary text.
Mock Testing	Note that mock tests are a required part of this course. Six mock tests are included in the price of the class; students are pre-registered for these tests on the dates listed in the class calendar. Students can take additional mock tests for a discounted rate of \$50 per test. All mock tests are taken at Marymount Manhattan College. Mock testing takes 60 minutes for the Chemistry Subject Test. Students receive a detailed score report and printed analysis after each test.
Fee	\$2200. Please register online at www.bespokeeducation.com/classes .

Note: Class enrollment is limited to 10 students. Class will only run with a minimum of 4 students.
