SAT Exam

Day	Saturdays
Time	10:00AM – 12:30PM
Location	International School of Paris, 45 rue Cortambert, 75116
Student Grades	Students in grade 10 or 11
Course Description	<p>Bespoke’s SAT Introduction and Intermediate course will improve confidence and test-taking skills by giving students in-depth knowledge of the SAT exam so they can walk in on Test Day knowing exactly what to do. Small class sizes (limited to 12 students) ensure that they will receive maximum individual attention.</p> <p>Classes will cover the content and strategies for all sections of the SAT and will include both Bespoke materials and real, released questions. Each course includes full-length, released SAT sections taken under timed conditions so you can practice in a test-like, proctored environment.</p> <p>Students should bring calculators. There are breaks during class to get drinks, eat snacks, and stretch.</p>
Mock Testing	<p>Note that mock tests are a required part of this course. Two mock tests are included in the price of the class, although we suggest that students take as many mock tests as possible. All mock tests are taken at Bespoke’s office (4, rue de Chevreuse, 75006 Paris). SAT mock testing normally takes about 3-4 hours. Students receive a detailed score report and analysis after each test.</p>
