Course Description	<p>Bespoke’s SAT course will improve confidence and test-taking skills by giving students in-depth knowledge of the SAT exam, so they can walk in on Test Day knowing exactly what to do. Small class sizes (limited to 12 students) ensure that they will receive maximum individual attention.</p> <p>Classes will cover the content and strategies for all sections of the SAT and will include both Bespoke materials and real, released questions. Each course includes full-length, released SAT sections taken under timed conditions so students can practice in a test-like, proctored environment.</p> <p>Students should bring calculators. There are breaks during class to get drinks, eat snacks, and stretch.</p>
Post-course Guidance	After the completion of the course, each student can take advantage of 1 hour of free private tutoring with the instructor. This hour can be used to develop a personalized study plan or to review a mock test.
Mock Testing	Students receive one free mock test credit to be used within two months of the completion of the course. All mock tests are taken at Bespoke’s office (4, rue de Chevreuse, 75006 Paris). SAT mock testing normally takes 3.5 hours. Students receive a detailed score report and analysis after each mock test.
