

**SEPTEMBER 2019 SAT BOOTCAMP AT LA GRANDE BOISSIERE
- FOR ADVANCED STUDENTS -
SAT Exam**

Part 1: Class—September 21–22
Part 2: 1 hour of private tutoring

Location ISG La Grande Boissière, Route de Chêne 62, 1208 Genève
Classroom TBD
Student Grades Year 12 and 13

Course Description Bespoke’s advanced SAT bootcamp is geared towards students who have already taken the SAT, **who are scoring in the mid-1200s or above**, and who need to raise their scores to be competitive applicants to top-tier universities. In contrast to Bespoke’s introductory/intermediate SAT bootcamp, this course includes more extensive practice with real, released SAT questions and focuses on honing critical reading skills, improving knowledge of English grammar and mechanics, and increasing understanding of advanced math content. It is assumed that participants will already have a solid grasp of basic test-taking strategies, which will allow the instructor to concentrate on helping students successfully navigate the test’s more challenging questions. There will be many opportunities for timed practice and review of actual SAT exams.

Students should bring calculators. There are breaks during class to get drinks, eat snacks, and stretch.

Mock Testing Students receive one free mock test credit **to be used within two months of the completion of the course**. Students take the test at home and send scans of their answer sheets to our office. Within three business days, students receive a detailed score report and analysis of their performance.
