### SAT Exam

**Part 1:** Class—August 26–30  
**Part 2:** 1 hour of private tutoring

**Location** ISG La Grande Boissière, Route de Chêne 62, 1208 Genève  
**Classroom** TBD  
**Student Grades** Year 12 and 13

**Course Description** Bespoke’s SAT course will improve confidence and test-taking skills by giving students in-depth knowledge of the SAT exam so that they can walk in on Test Day knowing exactly what to expect and do. Small class sizes (limited to 12 students) ensure that students will receive maximum individual attention.

Classes will cover the content and strategies for all sections of the SAT and will include both Bespoke materials and real, released questions. Each course includes full-length, released SAT sections taken under timed conditions so you can practice in a test-like, proctored environment.

Students should bring calculators. There are breaks during class to get drinks, eat snacks, and stretch.

**Post-course Guidance** After the completion of the course, each student can sit down with the instructor for a one-on-one meeting to develop a personalized study plan for the fall.

**Mock Testing** Students receive one free mock test credit **to be used within two months of the completion of the course**. Students take the test at home and send scans of their answer sheets to our office. Within three business days, students receive a detailed score report and analysis of their performance.
