

FALL 2019 SAT-ACT COURSE AT LA CHÂTAIGNERAIE

Part 1: Class—September 7 and 8

Part 2: 1 hour of private tutoring

Location International School of Geneva—La Châtaigneraie Campus

Classroom TBD

Student Grades Year 11 and 12

Course Description Bespoke’s course will introduce students to the SAT and the ACT. They will learn useful skills for both, so they can walk in on Test Day knowing exactly what to do, regardless of whether they are taking the PSAT, SAT, or ACT. Small class sizes (limited to 12 students) ensure that students will receive maximum individual attention.

On the first day, students will take a diagnostic test to determine whether the SAT or the ACT is a better fit for them. They will then be exposed to the structure of both tests and general test-taking strategies. On the second day, they will learn content and strategies for the PSAT/SAT. The course will use materials developed by Bespoke’s experts alongside real, released test questions.

Students should bring calculators. There are breaks during class to get drinks, eat snacks, and stretch.

Mock Testing Students receive one free mock test credit **to be used within six months of the completion of the course**. Within three business days, students receive a detailed score report and analysis of their performance.
