Small class sizes (limited to 12 students) ensure that participants will receive maximum individual attention.</p> <p>Classes will cover the content and strategies for all sections of the SAT and will include both Bespoke materials and real, released questions. Each course includes full-length, released SAT sections taken under timed conditions so students can practice in a test-like, proctored environment.</p> <p>Students should bring calculators. There are breaks during class to get drinks, eat snacks, and stretch.</p>
Mock Testing	<p>Students receive one free mock test credit to be used within two months of the completion of the course.
