

Bespoke's Chemistry SAT Subject Test Review

Spring 2020

Class Dates	February 8 – May 30 Targeting real SAT on June 6
Day	Saturday
Time	4:00 PM – 6:00 PM
Location	Bespoke UES Office, 177 East 87th Street, Suite 300
Student Grades	10th-11th
Course Description	Bespoke's spring Chemistry SAT Subject Test review will improve confidence and test-taking skills by giving students an in-depth knowledge of the Chemistry Subject Test exam. Classes will cover the content and strategies for this exam and will include both Bespoke's materials and real, released questions. Each course includes full-length mock tests taken under timed conditions so that students can practice in a test-like, proctored environment.
Course Materials	Bespoke lessons and homework along with a supplementary text.
Mock Testing	Note that mock tests are a required part of this course. Six mock tests are included in the price of the class; students are pre-registered for these tests on the dates listed in the class calendar. All mock tests for this class are taken at the Bespoke UES office. Mock testing takes 60 minutes for the Chemistry Subject Test. Students receive a detailed score report and printed analysis after each test. Students can take additional mock tests for a discounted rate of \$50 per test.
Fee	\$2250. Please register online at www.bespokeeducation.com/classes .

Note: Class enrollment is limited to 12 students. Class will only run with a minimum of 4 students.
