

Bespoke Biology SAT Subject Test Review Spring 2020

Class Dates	February 9 – May 31 Targeting SAT on June 6, 2020
Day	Sunday
Time	4:00 PM – 6:00 PM
Location	Bespoke UES Office, 177 East 87th Street, Suite 300
Student Grades	9th-11th
Course Description	Bespoke’s spring Biology SAT Subject Test review will improve confidence and test-taking skills by giving students an in-depth knowledge of the Biology Subject Test exam. Classes will cover the content and strategies for this exam and will include both Bespoke’s materials and real, released questions. Each course includes full-length mock tests taken under timed conditions so that students can practice in a test-like, proctored environment.
Course Textbook	200+ page Bespoke student lesson book, which contains top-quality proprietary content created by Bespoke’s curriculum developers.
Mock Testing	<p>Note that mock tests are a required part of this course. Six mock tests are included in the price of the class; students are pre-registered for these tests on the dates listed in the class calendar. All mock tests for this class are taken at the Bespoke UES office. Mock testing takes 75 minutes for the Bio Subject Test. Students receive a detailed score report and printed analysis after each test.</p> <p>Students can take additional mock tests for a discounted rate of \$50 per test.</p>
Fee	\$2250. Please register online at www.bespokeeducation.com/classes .

Note: Class enrollment is limited to 12 students. Class will only run with a minimum of 4 students.
