Location Online via Zoom (<https://zoom.us/>)

Course Description Bespoke’s ACT course improves confidence and test-taking skills by giving students in-depth knowledge of the ACT exam so that they can walk in on Test Day knowing exactly what to expect and do. Classes cover the content and strategies for all sections of the exam: Math, English, Reading, and Science.

During the course, there are many opportunities for timed practice and the review of actual ACT exams, plus each student will receive a full-length, released ACT mock exam.

Small class sizes (**minimum of 5; maximum of 10**) ensure that students receive maximum individual attention.

Students should bring calculators. There are breaks during class to get drinks, eat snacks, and stretch.

Post-course Guidance After the completion of the course, each student can take advantage of 1 hour of free private tutoring with the instructor. This hour can be used to develop a personalized study plan or to review a mock test.

Mock Testing Students receive two free mock test credits to be used within two months of the completion of the course. All mock tests are taken at Bespoke’s office (4, rue de Chevreuse, 75006 Paris). ACT mock testing normally takes about 3 hours. Students receive a detailed score report and analysis after each mock test.
