

SPRING 2021 SAT CLASS—AFTERNOON

SAT Exam

Part 1:	Group Course—Jan 9 to March 27, 2021
Part 2:	1 hour of private tutoring
Time	2:00–4:30 pm
Location	Online via Zoom (https://zoom.us/)
Student Grades	Grades 10 (2 ^{de}) and 11 (1 ^{re})
Course Description	<p>Bespoke’s SAT course improves confidence and test-taking skills by giving students in-depth knowledge of the SAT exam, so they can walk in on Test Day knowing exactly what to do. Small class sizes (<u>minimum of 5; maximum of 12</u>) ensure that they receive maximum individual attention.</p> <p>Classes cover the content and strategies for all sections of the SAT and include both Bespoke materials and real, released questions. Students also take full-length, released SAT sections under timed conditions so they can practice what they have learned in a test-like, proctored environment.</p> <p>Students should have their calculators handy. There are breaks during class to get drinks, eat snacks, and stretch.</p>
Mock Testing	<p>Note that mock tests are a required part of this course. Two mock tests are included in the price of the course, although we suggest that students take as many mock tests as possible. Mock tests are administered via an online proctoring session on Sunday at noon. SAT mock testing normally takes about 3–4 hours. Students receive a detailed score report and analysis after each test.</p>
Post-course Guidance	After the completion of the course, each student will have the option to schedule an hour of private tutoring.
