

## 2021 SATURDAY SAT PREPARATION COURSE

### SAT Exam

**Course Dates** Saturday, January 9 to Saturday March 6, 2021

**Time** 2 pm to 4:30 pm

**Location** Online

**Student Grades** Years 11 and 12

**Course Description** Bespoke's SAT course will improve confidence and test-taking skills by giving students in-depth knowledge of the SAT exam, so they can walk in on Test Day knowing exactly what to do. Small class sizes (limited to 12 students) ensure that they will receive maximum individual attention.

Classes will cover the content and strategies for all sections of the SAT and will include both Bespoke materials and real, released test questions. Each course includes full-length, released SAT sections taken under timed conditions so students can practice in a test-like, proctored environment.

Students should bring calculators. There are breaks during class to get drinks, eat snacks, and stretch.

**Post-course Guidance** After the completion of the course, each student will have the option to sit down with the instructor for a one-on-one meeting to develop a personalized study plan.

**Mock Testing** Students should take at least two mock tests over the course of the semester. SAT mock testing normally takes 3.5 hours. Students will receive a detailed score report and analysis after each mock test.
