**SAT Comprehensive**  
January 24 - May 2  
Sundays, 4:00-5:15 PM

—

**ACT Comprehensive**  
January 10 - April 11  
Sundays, 4:00-5:15 PM

—

Open to 11th graders

17.5 hours of instruction,  
10.5 hours of mock testing

\$1,350

Designed to guide juniors through an intensive and complete test prep process, the Comprehensive courses will introduce students to crucial test-taking skills and strategies. The courses give students an in-depth knowledge of the SAT or ACT exam so that they can develop a personal test prep plan to carry them all the way to Test Day.

Classes will cover content and strategies for all sections of the exams. Course materials include Bespoke's proprietary lesson book and released test questions. Each course includes three full-length mock tests taken under timed conditions so that students can practice in a test-like, proctored environment and track their progress on all sections of the test.

**SAT Instructor: Billy Cohen**

*Billy graduated from Princeton University with a Bachelors in Religion and minor in Theater. Originally from Houston, Texas, Billy was a National Merit Scholar and the recipient of the Headmaster's Award at Episcopal High School. At Princeton, Billy received the Outstanding Senior Thesis Award and tutored test prep to local high schoolers with Princeton Tutoring. Billy provides academic counseling, college essay guidance, and tutoring for all sections of the SAT, ACT, ISEE, SSAT, and SHSAT. He also tutors the SAT Math I and Math II subject tests.*

**ACT Instructor: Michael Beam**

*Michael grew up near Boston and attended the Roxbury Latin School. He received an academic scholarship to study at Eton College for a gap year before attending Pomona College, where he earned a B.A. in Classics and was elected to Phi Beta Kappa. He has worked with students as a tutor, counselor, and teacher for over a decade. Michael tutors math, reading, writing, classical languages, and all sections of the ISEE, SSAT, SHSAT, SAT and ACT.*

**SAT Subject Test Prep:  
Courses in Biology,  
Chemistry,  
& Math 2**

January 24 - May 30  
Sundays, 2:00-3:15 PM

—

Open to 9-11th graders

20 hours of instruction,  
5 hours of mock testing

\$1,850

These courses will cover content and strategies for the Biology E/M, Chemistry, and Math Level 2 subject tests offered by the CollegeBoard. Designed to complement intensive and AP courses in each subject, the Bespoke classes will help students reinforce information from their coursework and master additional advanced topics for the test.

The curriculum includes Bespoke's proprietary lesson book and real, released test questions. Each course also includes five mock tests, so that students become accustomed to applying their testing strategies in proctored, timed circumstances.

**Biology Instructor: Amy Frick**

*Amy is a PhD Candidate in Neuroscience at the Icahn School of Medicine. She also holds a Master of Science in Biomedical Science from the same institution. Originally from East Hampton, New York, Amy studied Vocal Performance at Barnard College through a partnership with Manhattan School of Music. She later transitioned to science and completed her Bachelor of Science in Cognitive Neuroscience from SUNY Empire State College. She is a recipient of the Icahn School of Medicine Merit Scholar Award, a member of the New York Choral Society, and a certified yoga instructor. As someone who fell in love with science late in her academic career, Amy is especially skilled in conveying complex material in a manner which is accessible and engaging.*

**Chemistry Instructor: Daniel Bailin**

*Daniel grew up on Long Island and attended Hewlett High School where he was named a National Merit Finalist and AP Scholar with Distinction. He graduated summa cum laude from the University of Delaware, earning a BS in Biochemistry and BA in Liberal Studies as a Eugene duPont Memorial Scholar. Daniel holds an MFA from UNC Chapel Hill. His teaching and tutoring roles have ranged from MCAT test prep to writing to Shakespearean performance. Daniel tutors all levels of Biology and Chemistry, and all sections of the SAT and ACT.*

---

Math 2 Instructor: Rich LaFauci

*Rich earned a BS summa cum laude in Chemistry from the University of Massachusetts, and holds an MS in Electrical Engineering from Northeastern University. He's worked extensively as a technologist and business leader in digital products and services. Rich prepares students for a variety of standardized tests, including all sections of the SAT, ACT, GMAT, GRE, ISEE, SSAT, SHSAT, the Math, Chem and Physics SAT Subject Tests, as well as all levels of math, chemistry and physics.*
