

AUGUST 2021 SAT BOOTCAMP

Part 1: Week of August 23–27
Part 2: 1 hour of private tutoring

Time 10:00 AM – 1:30 PM
Location Reid Hall
Student Grades Grades 10 (2^{de}) and 11 (1^{re})

Course Description Bespoke’s SAT course will improve confidence and test-taking skills by giving students in-depth knowledge of the SAT exam, so they can walk in on Test Day knowing exactly what to do. Small class sizes (between 4 and 10 students) ensure a maximum of individual attention.

Classes cover the content and strategies for all sections of the SAT and include both Bespoke materials and real, released questions. Each course includes full-length, released SAT sections taken under timed conditions so students can practice in a test-like, proctored environment.

Students should have their calculators handy. There are breaks during class to get drinks, eat snacks, and stretch.

Post-course Guidance After the completion of the course, each student can take advantage of 1 hour of free private tutoring with the instructor. This hour can be used to develop a personalized study plan or to review a mock test.

Mock Testing Students receive one free mock test credit to be used within two months of the completion of the course. Currently, all mock tests are taken at home; students can choose between timing themselves or participating in a remotely proctored session. SAT mock testing normally takes 3.5 hours. Students receive a detailed score report and analysis after each mock test.
