Student Grades	Grades 10 (2 ^{de}), 11 (1 ^{re}), and 12 (terminale) FLORIMONT STUDENTS ONLY
Course Description	<p>Bespoke's Intermediate/Advanced SAT course is for students who have been preparing for the test already. It will improve confidence and test-taking skills by giving students in-depth knowledge of the more advanced content on the exam, so they can walk in on Test Day knowing exactly what to do. Small class sizes (<i>minimum of 4, maximum of 12</i>) help ensure a maximum of individual attention.</p> <p>Classes will cover the content and strategies for all sections of the SAT and will include both Bespoke materials and real, released test questions. Each course includes full-length SAT sections taken under timed conditions so students can practice in a test-like, proctored environment.</p> <p>Students should bring calculators. There are breaks during class to get drinks, eat snacks, and stretch.</p>
Post-course Guidance	After the completion of the course, each student will have the option to sit down with the instructor for a one-on-one meeting to develop a personalized study plan.
Mock Testing	Students should take three mock tests over the course of the semester: before, during, and after the course. SAT mock testing normally takes 3.5 hours. Students will receive a detailed score report and analysis after each mock test.
