

## NOVEMBER 2021 SAT COURSE—ECOLINT

**Part 1: Online** November 20–21  
**Part 2: In-person** 1.5 hours of private tutoring

**Location** See above  
**Student Grades** Year 11 and 12

**Course Description** Bespoke’s SAT course will improve confidence and test-taking skills by giving students in-depth knowledge of the SAT exam so that they can walk in on Test Day knowing exactly what to expect and do. Small class sizes (limited to 12 students) ensure that participants will receive maximum individual attention.

Classes will cover the content and strategies for all sections of the SAT and will include both Bespoke materials and real, released questions. Each course includes full-length, released SAT sections taken under timed conditions so students can practice in a test-like, proctored environment.

Students should bring calculators. There are breaks during class to get drinks, eat snacks, and stretch.

**Post-course Guidance** After the completion of the course, each student can take advantage of 1.5 hours of free private tutoring with the instructor. This time can be used to develop a personalized study plan or to review a mock test.

**Mock Testing** Students receive two free mock test credits **to be used within two months of course completion**. They take the test at home and send scans of their answer sheets to our office. Within three business days, they will receive a detailed score report and analysis of their performance.
