

SPRING 2022 SAT CLASS — ISP

Class Dates	February 19–April 16
Day	Saturdays
Time	10:00AM – 12:30PM
Location	Online via Zoom (https://zoom.us/)
Student Grades	Students in 10 th or 11 th grade
Course Description	<p>Bespoke’s SAT course improves confidence and test-taking skills by giving students in-depth knowledge of the SAT exam, so they can walk in on Test Day knowing exactly what to do. Small class sizes (<u>minimum of 5; maximum of 12</u>) ensure maximum individual attention.</p> <p>Our course covers content and strategies for all parts of the exam and makes use of both Bespoke materials and real, released questions. Students practice taking timed, full-length SAT sections to gain experience with proctored testing conditions.</p> <p>Students should have their calculators handy. There are breaks during class to get drinks, eat snacks, and stretch.</p>
Mock Testing	<p>Note that mock tests are a required part of this course. Three mock tests are included in the price of the class, although we suggest that students take as many mock tests as possible. Mock tests are administered via an online proctoring session on Sunday at noon. SAT mock testing normally takes about 3–4 hours. Students receive a detailed score report and analysis after each test.</p>
