Student Grades	Grades 10 (2 ^{de}) and 11 (1 ^{re}) – FLORIMONT STUDENTS ONLY
Course Description	<p>Bespoke’s SAT course will improve confidence and test-taking skills by giving students in-depth knowledge of the SAT exam so that they can walk in on Test Day knowing exactly what to expect and do. Small class sizes (limited to 12 students) ensure that participants will receive maximum individual attention.</p> <p>Our course covers content and strategies for all parts of the exam and makes use of both Bespoke materials and real, released questions. Students practice taking timed, full-length SAT sections to gain experience with proctored testing conditions.</p> <p>Students should have their calculators handy. There are breaks during class to get drinks, eat snacks, and stretch.</p>
Post-course Guidance	After the completion of the course, each student will have the option to sit down with the instructor for a one-on-one meeting to develop a personalized study plan.
Mock Testing	Students should take at least two mock tests over the course of the semester. SAT mock testing normally takes 3.5 hours. Students will receive a detailed score report and analysis after each mock test.
