

B *BESPOKE* EDUCATION CHANGEMAKER PROGRAM

PROGRAM STRUCTURE + CALENDAR

SPRING 2022

Bespoke's Changemaker Program is a high-impact and unique opportunity that balances commitment and flexibility.

The program structure itself is quite simple. Here's how it works:

Once a student's application is approved, their program starts and continues for three months. We'll send the student Bespoke's "Changemaker Program Toolkit + Journal" and ask the student to fill out a brief questionnaire so that we can best understand where we're starting together.

We'll also send participants the most updated version of our program calendar (our March and April calendars are below). Then, the student can begin to sign up for activities. As one can see on the calendars, there's a column for "Changemaker Credits." We ask that students participate in enough activities to receive a minimum of 5 credits per month or 15 credits total during each program period (usually one semester or approximately 3-4 months). Students are welcome to participate in as many activities as desired. We'll be designing and adding more activities as we continue to develop the program.

Upon program completion, students will be asked to record reflections and give a brief presentation. Students will also receive a college recommendation letter from Greg Van Kirk that can be added to their applications.

Students always have the opportunity to continue their Changemaker journeys in subsequent sessions.

GREG VAN KIRK	MON	25TH	4:30 - 6:30 PM	30 MINS PER	2	UWS	N	Y

*CHANGEMAKER CREDITS:

These have been set at roughly one per hour with the exception of individual mentoring/coaching sessions. Students are encouraged to propose their own activities to earn credits during the program.

NOTES:

These calendars are subject to change. The calendar for May is pending.

These calendars do not include new changemaker tools and resources that are provided to students on a weekly basis.
