<b>Date</b>	August 22–24
<b>Time</b>	10:00 AM – 1:30 PM
<b>Location</b>	Reid Hall or online via Zoom ( <a href="https://zoom.us/">https://zoom.us/</a> )
<b>Student Grades</b>	Grades 10 (2 <sup>de</sup> ) and 11 (1 <sup>re</sup> )

**Course Description** Bespoke’s SAT course will improve confidence and test-taking skills by giving students in-depth knowledge of the SAT exam, so they can walk in on Test Day knowing exactly what to do. Small class sizes (between 4 and 10 students) ensure a maximum of individual attention.

Classes cover the content and strategies for all sections of the SAT and include both Bespoke materials and real, released questions. Each course includes full-length, released SAT sections taken under timed conditions so students can practice in a test-like, proctored environment.

Students should have their calculators handy. There are breaks during class to get drinks, eat snacks, and stretch.

**Post-course Guidance** After the completion of the course, each student can take advantage of 1 hour of free private tutoring with the instructor. This hour can be used to develop a personalized study plan or to review a mock test.

**Mock Testing** Students receive one free mock test credit to be used within two months of the completion of the course. Currently, all mock tests are taken at home; students can choose between timing themselves or participating in a remotely proctored session. SAT mock testing normally takes 3.5 hours. Students receive a detailed score report and analysis after each mock test.
