

2022 FALL PSAT/INTRO SAT COURSE AT INSTITUT FLORIMONT

Part 1: In-Person September 24 and 25
Part 2: Online 30-minute private session with instructor

Time 9:30-12:30pm and 13:30-16:30pm both days
Location Institut Florimont
Student Grades Seconde & Première

Course Description Although slight differences exist between the PSAT and the SAT, the content of the two tests is essentially identical. Bespoke's PSAT/Intro SAT course gives students in-depth knowledge of this content, improving confidence and test-taking skills. Our preparation process allows students to walk in on Test Day knowing exactly what to do. Small class sizes (*minimum of 5, maximum of 10*) help ensure a maximum of individual attention.

Classes will cover the content and strategies for all sections of the PSAT/SAT and will include both Bespoke materials and real, released test questions. Each course includes full-length SAT sections taken under timed conditions so students can practice in a test-like, proctored environment.

Students should bring calculators. There are breaks during class to get drinks, eat snacks, and stretch.

Post-course Guidance After the completion of the course, each student will have the option to sit down with the instructor for a one-on-one meeting to develop a personalized study plan.
