**The ACT is appropriate for students targeting the December 9th real test date. The SAT is appropriate for students targeting the December 2 paper and pencil real test date.*

Intended to lead rising juniors through an immersive and comprehensive test preparation experience, our eight-week Comprehensive courses are expertly designed to impart essential test-taking skills and strategies. These courses offer students an extensive understanding of the Digital SAT or ACT exams, coupled with a thorough review of EBRW (Evidence-Based Reading and Writing) and Math content.

Classes will cover the content and strategies for all sections of the exams and will include curriculum from Bespoke’s proprietary lesson books, student handbooks, supplemental materials, and real, released questions. The course includes two full-length mock tests so that students can practice in a test-like, proctored environment and map out a plan for continuing test prep in the winter.
