Designed to provide juniors with a rigorous yet reasonable test prep process, the ACT Comprehensive Course will teach students critical test-taking skills and strategies over 12 class sessions. The course gives students an in-depth knowledge of the ACT exam so that they can develop a personal plan to achieve their highest potential on test day. *This course is appropriate for students sitting for the June test date (6/8).*

The class includes two full-length mock tests taken under timed conditions so that students can practice in a test-like, proctored environment and track their progress on all sections of the test.
